

KAULBARS HAS NO COMPASSION

Will Not Lift a Hand to Prevent Horrors Now Threatening Odessa.

PEOPLE GREATLY ALARMED

AGRARIAN UPRISING IN PROVINCE OF VIATKA.

Odessa, Sept. 26.—Replying to a deputa- tion of municipal officers yesterday who complained of the violence daily committed by members of the League of the Russian People against peaceful citizens, Jews and Christians alike, Governor General Kaulbars said that the preservation of order was a matter concerning the police, but he personally doubted whether it was possible or even desirable to attempt to suppress the exasperation of the loyal elements against the revolutionary students who were guided exclusively by Jews. These loyal elements included the emperor's best sons, whom the government esteemed as its most dutiful citizens.

Could Do Nothing.

Dismayed at these expressions of Governor General Kaulbars, the municipal officials suggested that the victims were most defenseless inhabitants who were not concerned in the revolution, to which Governor Kaulbars replied that he regretted that this was the case, but he must say that the population was thus punished for tolerating revolutionists among them instead of delivering them to justice.

"I do not think there will be fresh outbreaks," said Governor General Kaulbars, "in the event of the assassination of even one member of the League of the Russian People. Odessa will be inundated in blood."

Great Alarm Created.

The tone of Governor General Kaulbars' speech, which is regarded as an open expression of approval of the horrors of counter revolution, has created much alarm. While no gathering of Liberals is permitted, the League of the Russian People is holding meetings daily.

The Christian labor organizations have issued a proclamation declaring that in the event of a fresh outbreak they will defend the Jews with their last drop of blood.

AGRARIAN DISORDERS.

Uprising of Inhabitants of the Province of Viatka.

St. Petersburg, Sept. 26.—Grave agrarian disorders have broken out in the province of Viatka, the center of disturbances being the important district of Malmush, with a population of over 100,000, where, according to the reports received, the inhabitants of more or less villages have joined in the uprising, have disarmed the police and are pillaging and destroying the residences of the land owners and devastating the country. It is rumored at Viatka that the administrative police chiefs in the Malmush district and eight of their subordinates have been killed. The excesses began Sept. 20, with a riot over the enrollment of army reserve men for their automobile service. At the village of Malmush a body of peasants attacked the enrollment station, killed a sergeant and six rural policemen, mortally wounded the assistant police chief of the district and destroyed the list of reserve men.

Work of Manifesto.

The Viborg manifesto is thought to be more directly responsible for the disorders than anything else. It had a wide circulation in Viatka province and its exhortation to the peasants to refuse to do military service was spread by the members of the outlawed parliament from Viatka, who are nearly all peasants and members of the radical group of Tolstoy, M. Kornelief being a member of the executive committee of that party, and another ex-member of parliament being a priest, Father Ogneff, who was recently unfrocked. A fortnight ago the governor of the province issued an order imposing severe punishments on distributors of the manifesto and other revolutionary literature and who was found in possession of rifles or other arms, but it was too late to prevent the trouble. The peasants' Gazette, which is published at Viatka and circulates extensively through the province of Viatka, has been suspended and its editor has been arrested and banished on account of the publication of an inflammatory article.

Are you waiting for cold weather before deciding on your fall shoes? If so, you had better look in and see what the real things are. Our window will satisfy you that "Money Back" shoes are your shoes.

Colorado Midland's Annual Report Shows Increase in Profits.

Figures contained in the annual report of the Colorado Midland show a substantial increase in profit and an equally encouraging decrease in cost of operation. The total follows: Gross earnings, 1905, \$1,574,462; 1906, \$2,132,665; increase, \$558,202. Operation expenses, 1905, \$1,571,938; 1906, \$1,527,310; decrease, \$44,628. Net earnings, 1905, \$402,524; 1906, \$604,755; increase, \$202,231. Income on securities in treasury, 1905, \$23,396; 1906, \$38,055; increase, \$14,659. Total net income, 1905, \$426,920; 1906, \$642,811; increase, \$215,891.

Railroad Notes.

General Manager A. C. Ridgway of the Denver & Rio Grande was in Salt Lake yesterday.

The Rio Grande will distribute one million trout fry in streams along the line of the Rio Grande and Rio Grande Western. This consignment will be sent in the near future from the government fish hatchery at Malta, Colo.

The Salt Lake Route will run a special train to Rhyolite upon the date of the completion of the last Verde-Tonopah branch into that camp, about Oct. 15. Through sleepers will be run from Salt Lake and passengers making the trip will be permitted to stay in their cars during their visit at Rhyolite.

D. R. Gray, district freight and passenger agent of the Harriman lines in Salt Lake, will take the business men's excursion to Ely, Nev., Sept. 28. This trip will be made to permit the representative men of Utah participating in Railroad Day in that camp. This will be a celebration of the Nevada Northern's completion at Ely. The special train will leave Salt Lake at 9 o'clock, Sept. 28. A fare of \$11.60 for the round trip will be charged with tickets good for return until Oct. 5.

TWO WEDDINGS LAST EVENING.

The beautiful home of Mr. and Mrs. W. B. McCartney, 653 East Fourth South street, was the scene of a wedding, when Miss Rae Grace Chapman, the sister of Mrs. McCartney, became the bride of Louis C. Reilly, a business man of Rock Island, Ill. The rooms were beautifully decorated and a large number of friends were present when the ceremony occurred at 8 o'clock, the Rev. P. A. Simpkin officiating. The presents were numerous and costly, the gift of the groom to the bride being a magnificent crescent of diamonds. A luncheon was served in connection with the reception following. After an extended honeymoon spent at western points, Mr. and Mrs. Reilly will return late in October to Rock Island, Ill., where their home is to be.

A quiet wedding was celebrated last evening at the home of Mrs. Lundberg, 630 East First South street, when at 7 o'clock Robert F. Decker and Miss Anna M. Layne were married by the Rev. P. A. Simpkin. A number of the intimate friends of the bride and groom were present.

Easy money for good guessers. Rieger & Lindley's rebus contest on sporting page.

Congregation Montefiore.

Will hold Yom Kippur services at their synagogue, 323 South Third East, Friday, Sept. 28th, at 8:30 p. m. Tickets for sale at 58 East Second South.

Rabbi Bielsky of Denver, Colo., will officiate.

The best livers are the most enthusiastic patrons of MOUNT'S Pickles.

ONLY \$11.60

To Ely, Nevada, and Return. Sept. 23, via O. S. L. Special train leaves Salt Lake at 9 p. m. Tickets limited to Oct. 5.

NEWS OF UNIVERSITY.

The junior class of the university elected its officers for the year yesterday. Earl H. Cannon was the choice of the class for president. J. R. Stewart was elected vice president and Miss Mulgrave secretary. The office of treasurer went to B. S. Bowman. The executive committee consists of Miss Har- ker, Roy Hatch, Harold Stephens and N. Morgan. The election of editor and manager of the year-book which the juniors got out was left until later. The executive committee was ordered to proceed with the arrangements for the junior promenade, the event of the university social season.

The executive committee of the associated students body held an important meeting yesterday noon. The opening dance of the season was decided upon, but the date not definitely settled. It will be given under the auspices of the student body and the charge will consist of a member of each class. The university orchestra will be allowed a representative on the executive board if 10 per cent of its earnings are turned over to the student body. It was decided to have the bulletin board separated and a space set aside for each class and organization. Several designs for the membership pin were presented, but none was decided upon. The committee will hold meetings regularly on Monday.

The Aesculapian medical society of the university organized yesterday. It is composed of students of the medical course, which is one of the most popular courses at the school this year. The officers are: F. J. Howells, president; O. H. Johnson, vice president; C. Open- shaw, secretary and treasurer. Committee on credentials, D. B. Anderson and C. A. Brown; entertainment com- mittee, Roy Hatch and W. E. Whit- aker. The society will arrange a number of lectures on medical subjects. The first will be next Friday. The society will give a dance on Halloween.

The advanced students in electrical engineering will install a telephone system at the university. The Rocky Mountain Bell Telephone company started to put it in, but from now on the work will be carried on by the students. It will include the installation of a central switchboard in offices in the library building, sub-stations in the other buildings, lines connecting the different buildings and connections in every room in the building. Dr. J. F. Merrill, director of the state school of mines, will direct the work.

Miss M. Lathan, a critic teacher at the Chicago university and a well known educator, visited the normal school at the university yesterday. She made favorable comment on the work being done in the school. She spoke highly of the farm for the normal school that is planned for the east part of the campus, and said that the scheme was unique and it would have no equal in the east.

ATLANTA FREE FROM MOB RULE

Militia Withdrawn, Schools Opened and the Usual Business Transacted.

SALOONS UNDER THE BAN

ALL THE LOW DIVES WILL BE WEEDED OUT.

Atlanta, Ga., Sept. 26.—The race riot situation is under the control of the authorities this morning and business has been resumed under normal conditions. The city schools are open and well attended. All manufacturing plants and factories which have been suspended since Saturday blew their whistles at 6 o'clock this morning and began operations. All saloons are closed and licenses to negro restaurants and low bars have been rescinded by the city council in a special session. A citizen's committee of ten, aided by the mayor, police and military authorities, are in absolute control. There was no disorder last night and with fourteen companies of state militia, a battery of artillery, a battalion of cavalry and an increased police force on duty, it is believed the riots are curbed and peace permanently restored.

Militia Withdrawn.

All the militia on duty were withdrawn at noon today, the out-of-town companies being returned to their homes. The local commands, however, are under arms at the armory ready for emergency.

Today the negro districts are in perfect order, and the terror of mob rule has passed away. The negroes are at work and peace has been restored at all points. The city will pay property owners for all damage inflicted, and at a mass meeting a fund of several thousand dollars was subscribed to defray the expenses of burying the dead and caring for the wounded and to care for the families of the victims. This applies to both races.

By a unanimous vote the city council has revoked the license of every saloon in Atlanta until Oct. 1, and until that time the city is practically under prohibition. In reissuing licenses the dives will be weeded out.

OF INTEREST TO MANY.

Foley's Kidney Cure will cure any case of kidney or bladder trouble that is not beyond the reach of medicine. No medicine can do more. F. J. Hill Drug Co., the never substitutes.

LAPSED INTO PROFANITY

Speaker Cannon at St. Joe, Mo., Uses Kind of Language for Which He Is Noted.

St. Joseph, Mo., Sept. 26.—Speaker Joseph G. Cannon spoke to an audience here this afternoon which overflowed the theatre in which he appeared. Congressman James Watson of Indiana spoke briefly in an- view given out here Mr. Cannon said the Democrats who declare Roosevelt to be the best Democrat who ever sat in the white house are like the devil when he offered Christ all the kingdoms of the earth if the Savior would do his bidding.

"The devil claimed all the earth, but he did not own a damn foot of it," said Cannon. Before he began to speak Cannon was asked if he was going to discuss Gompers.

"Gompers? What's he running for?" replied the speaker.

"I am going to try to make a Re- publican speech, and if I refer to Mr. Gompers it will be only as the delivery of a Republican speech de- mands."

"How about the Cuban question?" "I have not paid much attention to that question," said Mr. Cannon, "The Platt amendment pledges us to maintain law and order in Cuba. We will do that."

"And if it is necessary to annex Cuba in order to do it, we will annex," interposed Congressman Watson.

"That's Watson speaking now," said Mr. Cannon, smiling. "I don't say that. I merely say that this government is pledged to maintain law and order there, and we will take such steps as are necessary to do that. I don't know what steps may be necessary, and I don't wish to discuss them. 'Fools rush in where angels fear to tread,' when the angels don't happen to be well posted on a question. Mr. Taft is down there in Cuba and I have confidence in our president to meet the situation."

COFFEE WAS IT

People Slowly Learn the Facts.

"All my life I have been such a slave to coffee that the very aroma of it was enough to set my nerves on fire. I kept gradually losing my health, but I used to say 'nonsense, it don't hurt me.' Slowly I was forced to admit the truth, and the final result was that my whole nervous force was shattered. My worst became my work, and I lost confidence in our president to meet the situation."

"I was in despair, for the very thought of the medicines I had tried so many times nauseated me. Of course I thought of Postum, but could hardly bring myself to give up the coffee. Finally I concluded that I owed it to myself to give Postum a trial. So I got a package and carefully followed the directions, and what a delicious, nourishing, rich drink it was. Do you know I found it very easy to shift from the coffee to Postum and not mind the change at all. Almost immediately after I made the change I found myself better and as the days went by I kept on improving. My nerves grew sound and steady, I slept well and felt strong and well balanced all the time. Now I am completely cured, with the old nervousness and sickness all gone. In every way I am well once more." Name given by Postum Co., Battle Creek, Mich.

It pays to give up the drink that acts on some like a poison, for health is the greatest fortune one can have.

"There's a reason."

SITUATION IS UNCHANGED

Switchmen Insist That Strike Will Not Be Considered for Some Time.

There have been no changes in the situation of the local switchmen's union, as a result of the request which was made of the railroad companies to increase the pay of the men and to reduce the hours of work. The matter now rests in the hands of the railroad officials, and the next action in the matter will be taken by them.

Until the return of William H. Bancroft, vice president and general manager, and Everett Buckingham, general superintendent of the Oregon Short Line, to the city, no action will be taken by them.

"The switchmen can afford to wait for the railroad men and give them ample time to consider the matter," said an official of the switchmen's union last night.

"We are in no hurry, and have no disposition to press the matter or to urge instant action. We want to be reasonable, and we understand that the question is a big one, and one that requires considerable time for consideration and thought before an answer can be given."

"We have no idea that the railroad will refuse to give us a hearing or that our representatives will be denied an opportunity to show their cause for making the request."

"After the appointment of the officials who will represent the railroads in the consideration of the matter, some time will be taken up by them in confer- ring with the representatives of the union. It may be three months before definite answers are received."

"The feeling among the members of the union is that we have so much at stake and the questions involved are so important, that we can afford to be patient in the matter."

"There is no discussion of the possi- bility of a strike. Any contingency that would arise from a strike order is so remote that it is not worthy of consideration."

PLAN FOR CHARITY BALL.

St. Mark's Hospital Association Ap- points Committee.

The annual charity ball of the St. Mark's Hospital association will be held in November. The exact date has not yet been decided upon but in all probability the affair will take place in the new building being completed by O. J. Salisbury on the corner of Main and Market streets.

This was decided at a meeting of the association yesterday morning in the Y. M. C. A. rooms. The ball is given for the benefit of the indigent sick. The following members named upon the executive committee in charge of the ball: Mrs. W. V. Rice, Mrs. George Y. Wallace, Mrs. Siegel, Mrs. Lockwood, Mrs. Mont Ferry and Mrs. Bascom. Mrs. Paul and Mrs. Kimball will serve on the supper committee and Mrs. Gohan and Mrs. J. P. Harris were named on the new charity committee.

Remember, no gaudy cans go with SHAMROCK, but something far more useful.

National Tea Importing Co.

Sole Importers Shamrock Tea and Coffee.

Corner Third South and Main. Salt Lake City, Utah

Fisher Bottled Beer

Our bottled beer, as supplied to the trade in pints or quarts, is especially convenient for family use and every season marks an increased demand for it as a home beverage.

It is not generally known, but the demand for bottled beer has grown by leaps and bounds during the past few years. The modern public wants its commodities supplied in handy form—its crackers in sealed boxes, its fruit in cans, its beer in bottles. Ten years ago there was comparatively little beer bottled at the breweries. Today the output is enormous. The cask in the cellar of the olden time has been displaced by the air-tight bottles which are kept on ice, cool and ready for use.

From the Brewer to the Consumer

Orders for Fisher bottled beer receive our prompt attention. Deliveries are made from the brewery direct to your door, in pints or quarts, as desired.

Almost everybody in Salt Lake who drinks beer drinks Fisher beer. Try it. It is as good as scientific brewing can produce.
